Los Angeles Regional Food Bank

This year's Pasadena hands on CSR event was held on Saturday, May 3 at the Los Angeles Regional Food Bank in sunny Los Angeles, CA. Our team participated in assembling over 2,000 fruit bags and vegetable boxes for low income families, seniors, children, and women with infants in Los Angeles County as well as over 20 local schools to support healthy choices. Thank you to all of our 52 participants and their families for making this year's hands on event a huge success. By giving just a little of our time, we made a big difference in our community.
