New York Recommendation of Care MEDICAL PROVIDER SEARCH INSTRUCTIONS

The New York Recommendation of Care Program is provided by MetraComp. To obtain a listing of industrial clinics and/or physicians within their network, log onto www.metracomp.com.

1. Select **Locate a MetraComp Provider** on top right hand corner
2. Click on **Address Search** and type in the address
3. Click **Search Distance** and select the number of miles to the provider's location
4. Select **Provider Type** which generally is Occupational/Industrial Clinics or Primary Treating Physicians.
5. Click on **Find Providers**

You may also call the telephonic directory services at (800) 937-6824 or obtain a list of authorized health care providers from the Workers' Compensation Board.

Use of the Metracomp network and its providers are strictly voluntary. The injured worker may choose or change their provider at will without jeopardizing medical or indemnity benefits.

Please note that if the employer participates in a state certified managed care program in New Jersey, California, Illinois, Texas or Kentucky there may be a different Managed Care network. For access to these networks, please send an e-mail request to:
