

Protecting Our Global Community of Customers

Tokio Marine America presents Safe Driving in the USA

At Tokio Marine America, our Loss Control and Client Solution teams are dedicated to providing you with the necessary tools to operate a motor vehicle in the United States. Transportation accidents are the number one cause of workplace fatalities in the United States. "Safe Driving in the USA" promotes safe driving habits that help reduce the risk of having a motor vehicle accident. This 25 minute online training course produced by Tokio Marine America will enhance your knowledge of operating a motor vehicle within in the United States by comparing driving in Japan to driving in the USA.

Key Safe Driving Tips Include:

- Modifying driving speeds to match road conditions
- US traffic signs, their meanings, and how to proceed safely
- Navigating construction zones and emergency vehicles
- Merging onto highways, changing lanes, turning, and parking best practices
- Safely operate a vehicle under special conditions such as rain, snow, and ice
- Reporting emergencies, accidents, and communicating with police officers during a traffic stop.

Safe Driving in the USA
